**Purpose (multi-event, reusable):** Items will be reused across multiple Class of 2029 events including *Service Fair, Panther Games, Velvet Circle, Last to Leave the Circle, HPU Got Talent, Flowers After Dark (Formal Dance), Evening of Impact: Mocktails & Charity Auction, Sip & Paint, Student-Run Business Showcase (Dirty Soda Bar feature), and Henna Class*, and will be made available for broader SGA/student programming when appropriate.

**Value note (water math):** 1,920 bottles for \$285.00  $\approx$  \$0.15 per bottle, providing consistent attendee hospitality at high-traffic events and preventing avoidable negative event impressions.

**Audio note (speakers):** Audio quality is one of the most noticeable success/failure factors for student events; these speakers prevent recurring “poor sound” issues and support an extraordinary experience across all programs for multiple semesters.
